

Award to honor McWilliams

Justin McWilliams died in a truck accident last month. But his name will live on at West Orange High School, where he played baseball before he graduated in 2000.

At a banquet today, Coach Teddy Craig plans to present the first Justin McWilliams award to a West Orange senior baseball player. The school plans to make the honor an annual event.

McWilliams, 20, of Ocoee, a former catcher, was run over April 7 by a truck during a party in a west Orange County pasture. The Florida Highway Patrol plans to finish its investigation into whether the driver, Justin Allen, 18, of Winter Garden, the host, should be charged.
